

UK PAEDIATRIC DELIRIUM GROUP

We are delighted you are all working so hard to identify Delirium in your PICU !

World Delirium Awareness Day this year is on **Wednesday 16th March**. We are encouraging all PICUs to take part in an audit of delirium screening

on **16th March** to highlight delirium awareness in the UK & Ireland.

Delirium screening audit resources

We developed the resources you need to conduct and record the audit in your PICU. Scan this QR code or go to the website to access the resources.

Delirium training resources

To access training resources to learn about delirium, scan this QR code to take you to our resources on the website.

Show us what you do !

We would love to see all the activities you have in your unit to highlight delirium awareness in your PICU. Please email us at **ukpdgroup@qub.ac.uk** Send us your photos and we will share your experience on the paediatric delirium website newsfeed.
